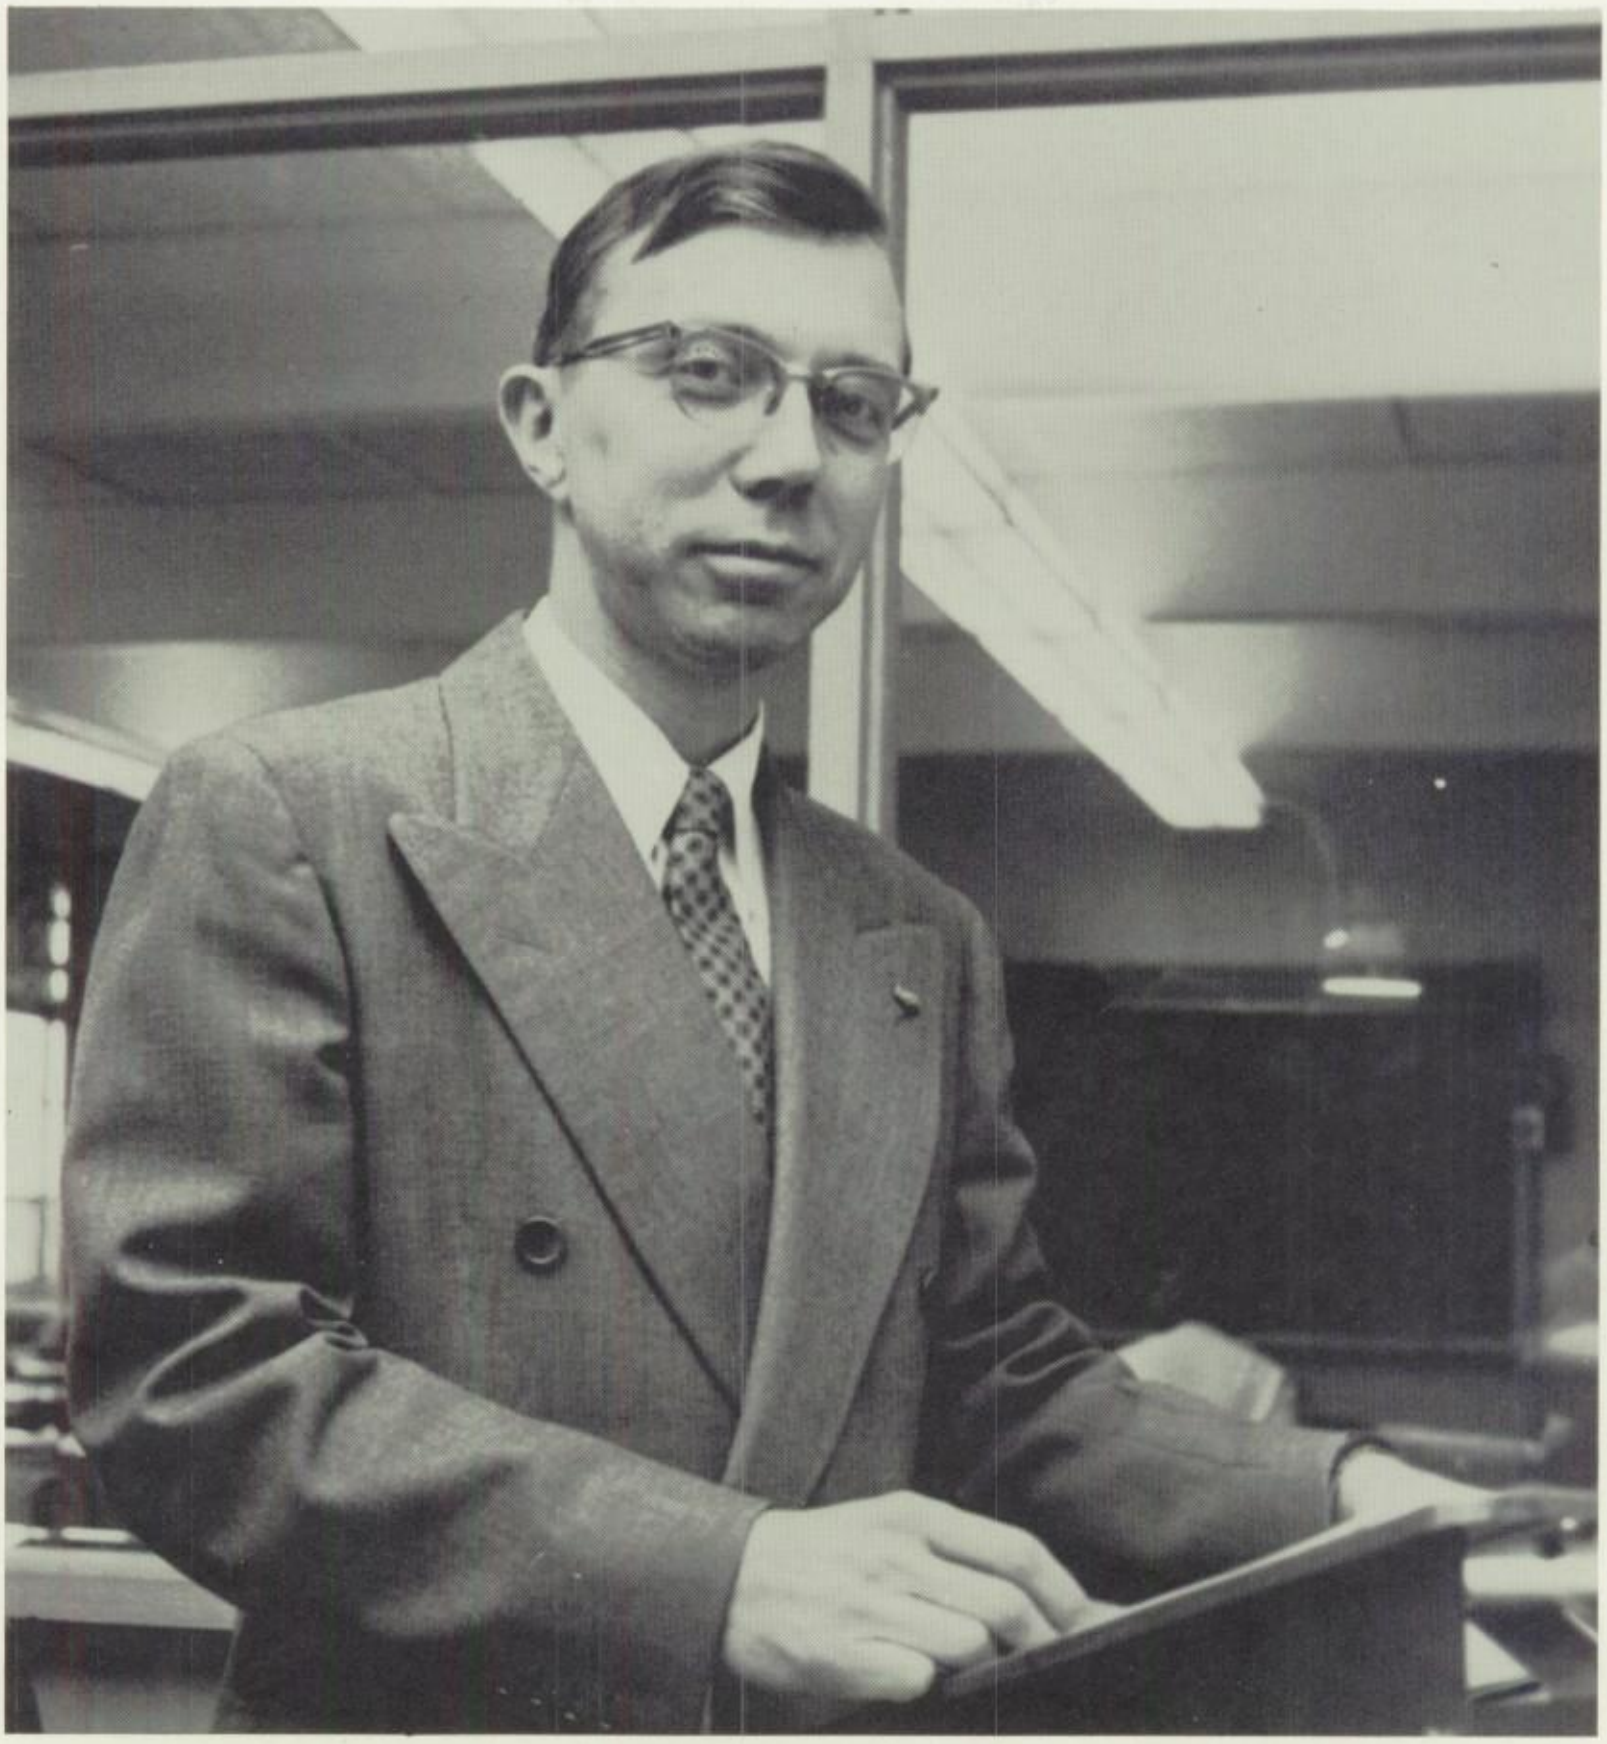
Hail to thee, our Alma Mater
Raise your emblems high.
While we praise thee, Alma Mater,
They'll not pass thee by.

Gold and navy, royal colors,
Fit our school quite well,
Hail to thee, our Alma Mater
Let our voices swell.



This is a man whom we all know,
To him our appreciation we wish to show.

Through his guidance and great concern,
We have planned, and will leave our bridges burned.

Superintendent's Message

To the Class of 1962:

Your accomplishments have been more of an individual rather than a group basis. I rather believe that your approach to life and the accomplishments obtained therein will be of a similar nature.

I find among your class--students with whom I am proud to have been associated--and from whom I expect no less than SUCCESS. I find students who have accepted their religion as a better way of life and are (as always) the better for such acceptance. I find exceptional individual accomplishments in the areas of: music, home economics, church work, diversified skills, agricultural know-how and intellectual potential.

Yours has been a problem of maturing, of striving for and seeking the foundation upon which to build your life. If you will but remember that you have been helped along the way and appreciate those who did the helping (your parents, your minister, the faculty and your friends) life will not only be more fully appreciated and understood but more readily approached and your goals more easily obtained.

The door to success waits to be opened--the opening requires WORK.

Sincerely,

Harold C. Flanigan

Principal's Message

Dear Students,

This past year has seen many advances. One of man's greatest achievements has been made - that of a man being actually put into the space outside of his planet. Man has left his home - Earth - for the first time. He has pitted himself against the unknown and returned victorious. Long periods of preparation were necessary as man prepared himself for this experience. Weeks, months, years, decades, even lifetimes were needed just in preparation. The success that man achieved proved that all of the preparation was necessary and well-executed. This step into space was only the first step. There is much more to be done.

For you Seniors, you are much like the astronaut as he climbs into his capsule and prepares for the flight. Your preparation is done. If you have prepared well, then success is highly probable. Your flight through life will be spectacular and as free of problems as the flight of our first astronaut through space.

For the underclassmen, you are still preparing. Remember, the better that you prepare, the more chance of success you will have when you "lift-off" on the next phase of your career.

Good luck to you all,

Donald Hucker

PRESIDENTS

Class History

There were fifty-five of us, or should I say fifty-six, that started out in September 1958. Old Kirk High lay behind us then, so we shook hands with a new member--Hiawatha High School. She was something special to us, and we vowed to give her the best we had.

We bounded in as "green freshies" ready to sweep the school off its feet. Rich Hein was elected President; Dennis Knox, Vice-President; Pam Smith, Secretary; Don Worden, Treasurer; and Mrs. Bennett, Sponsor. Before we knew it our freshman year was over, and three years, which seemed like an eternity at the time, remained.

The next year we journeyed once again to those brick walls to take our place as Sophomores or "wise fools." We had dwindled in number and there were now fifty of us. Helen Lamont led the class, with Mary Nicholson, Vice-President; Terri Drager, Secretary; Sue Awe, Treasurer; and Mr. Woodyatt and Mrs. Pierce, Sponsors.

Graduation was a tearful one that year as many of our closest friends were leaving. We were given the privilege of decorating for them and did, what we thought, was a bang-up job.

In the fall of 1960 we returned to a year, I'm sure, most of us will always remember. Our President was Dennis Knox, Rich Hein was Vice-President; Russ Bennett, Secretary; Ron Rempfer, Treasurer; and Mr. Frey and Mrs. Britton, Sponsors.

There were forty-four of us that hopped on the merry-go-round that year which didn't stop until graduation. It was one mass of bake sales at every store in town, rec parties, concession stands, and at last, the prom. We hadn't forgotten our vow and so we wanted our prom to be one the school would never forget. And it was, in more ways than one! We picked an exotic Oriental theme and spent our entire class treasury and more, in carrying it out.

Then all of a sudden we were seniors. It was as if someone had snapped their fingers and those laughing freshmen were converted, overnight, into serious-minded students with ideas for the future. To guide us during our last year Helen Lamont was elected President; Joanne Turner, Vice-President; Pam Smith, Secretary; Sue Awe, Treasurer; Mr. Steinhauser and Mr. O'Donnell, Sponsors.

Once again we outdid ourselves with the Senior Christmas Party and our last effort, the 1962 Hawk.

We gave Hiawatha the best we had, and as we grew she grew and as we learned so did she; but, as our high school days come to an end, we must part. She goes on being a magnificent symbol and home for others who also want to give her their best.
